## OH YEAH----

It was read in a local daily paper that due to an hour and a half's questioning and a few inches of copy space, on the part of that paper's correspondent, the Town of Wilmington was made to see the light and (taking the article literally) Christmas lights were installed in the square.

Very interesting copy, to be sure. What that writer does not know, however, was that the subject was brought up some time before that appeared. Work had already begun on the program, donations were being solicited, that this paper had already contributed the tree in the square, had arranged for the use of the aerial truck to conveniently install the lights, and had contributed to the fund.

OH WELL--ITS NICE TO KNOW THAT SOMEONE IS  
LOOKING AFTER US!

One day last week, a lone youngster was seen skating on ice that covered the water in the gravel pit of Salem Street.

The ice at this time of year has not yet had a chance to set solidly and this writer shuddered to think of the chances that the youngster was taking that it was solid.

Kids will be kids and even though there may be a no trespassing sign, the temptation to do so, will be there.

Parents had better take heed of this warning. Do not allow your youngster to skate at that particular spot. The waters are deep. By all means, do not allow your youngster to ice skate alone anywhere. It is much safer to skate in company of others.

Let us have this winter for ourselves to enjoy, happy and safe.

..... "Whether one realizes it or not, advertising is perhaps the most wonderful development of the modern commercial age. It is the maker or breaker of business, big or little. It is the one factor of successful sales that is most apt to be overlooked by the merchants and businessmen of small towns and cities.

"Advertising is...the power that will make little concerns grow into larger success. It is a science that requires study and be it said, character. It cannot succeed if it is based upon untruth; it must build upon faith and integrity." ..... "The railroad workers we fear are fighting a losing battle. Excitedly they are battling against every effort of the railroads to eliminate unnecessary jobs in operation, but with rail lines being abandoned in many places it looks like the railroads are faced by necessity to do this. Modern equipment has done away with firemen on the old coal-burning engines and no one expects him to keep a job for sentimental reasons."

..... "Labor Party's No. 2 man in Britain, Aneurin Bevan, notoriously anti-American...blamed the defeat of his party's candidates on America. Said the labor party leader: 'The overwhelming majority of them (British voters) are in debt, either buying their homes on heavy mortgages and/or buying domestic equipment and gadgets of all sorts on installment. This section of the population has become thoroughly Americanized, it's chief ingredients consist of a brash materialism shot through with fear.'

"Mr. Bevan failed to note that installment buying is prompted by a firm belief in the future rather than fear, and we cannot see that being Americanized in the sense that one seeks the better and more comfortable things in life can ever be an evil."

..... "American industry's lead in productivity is the reason why American workers have been able to earn considerably more than workers in other countries."

Photo taken in the still of the night, reveals the shining beauty of the Wilmington Fire Station. To the left, the Manger scene; top shows Christmas trees decorated, and the remaining lights outline the building.

### VIOLA STAVELEY HONORED AT METHODIST CHURCH

Mrs. Wilbur T. Staveley, organist at the Wilmington Methodist Church will relinquish her responsibility as organist the end of this year. In recognition of her thirty six years of service to the church in this capacity, a bouquet of roses was presented to her during the Christmas Sunday worship service. The Rev. Richard Harding, who made the presentation, announced the action of the official board to give the church a tape recorder in honor of Mrs. Staveley. The recorder is to be used in the work with the choirs, and for the taking of worship services to the shut-ins of the parish. A record of this gift of appreciation will be written in the Memory Book of the church.

Mrs. Staveley responded by saying that she could think of no other gift more appropriate and she was grateful to the many people in the church through the years who have worked with her in the music life of the church. She said she was happy to see some in the congregation that were there when she began her work thirty six years ago.

Mrs. Staveley will continue to serve as director of the choir, with Mrs. Raymond Gardner serving as the new organist.

## TALK OF THE TOWN

By HANK FILIPPONE

The Wilmington Rotary Club performed a kind deed last week when they gave a citizen a brand new modern wheelchair for Christmas. The recipient of this gift has been confined to a wheelchair for 35 years, the result of an attack of polio. This act of generosity on the part of unselfish members of our local Rotary Club is indicative of the kind work that has been going on in the club for years. A CRUSADER tip of the hat to a wonderful organization.

The choice of Arthur Harper as the local Veteran's Agent, to take the place of resigning Fred Horton was a good one on the part of T.M. Lancaster. Arthur Harper has a record for being conscientious in his work, and the town will be assured that the fine work of former agent Fred Horton will be carried on.

This writer has finally discovered where young Jimmy Cain buys his four button suits. They are tailored out of town, but I'm willing to pass the information on--as a matter of fact, I liked them so well that I even ordered two for myself.

The most tired man in town this week must be George Spanos. He was so active these last few weeks that he was on the go for long hours on end. Isn't it wonderful that he still has the constitution to keep it up?

The Christmas lights in the square were made possible by businessmen in town. A CRUSADER tip of the hat to those three men who did the actual physical work; Firemen Fred Kleynen and Charles Lauziere and Ralph Block of North St..

Those many, many cards that all you readers received last week were due to the efforts of a much worked staff of our local postoffices. A record-breaking amount of pieces were delivered to your homes, a tribute to the well organized system under the direction of P.O. Master Henry Porter.

At this writing, Mighty Hunter Hiawatha has not yet bagged his deer. This writer is as much concerned as Hiawatha, because he was promised a venison steak. Hurry up, Chuck, I spent all my do-re-mi for Christmas shopping and could use that steak.

Don't get mad if your street wasn't plowed yesterday, the Highway Department was doing the best they could, with what they had to do it with.

Last week this paper carried a picture of a little boy whose heart was aching for his lost dog. One of our readers saw the article and notified the boy's parents who located the puppy. A heartwarming act for this time of year.

### TEWKSBURY TEACHERS TO RECEIVE PAY RAISE

TEWKSBURY...The schoolteachers of Tewksbury will receive a pay raise of \$400 a year as a result of a vote by the school committee in the budget for the 1959-1960 year. In conjunction with a new state law which makes a salary of \$4000 the minimum allowed, the salaries have been raised to that amount.

Pay raises were also granted to clerks, custodians, substitute teachers, nurses, principals, superintendent and his staff. The custodians received from \$200-\$400; school clerks, \$100 a year more; school nurses, \$200; substitute teachers from \$15-17 a day; remedial-reading teachers, from \$16 to \$18 a day.

Those teachers who have not been paid the maximum on the schedule of salaries were given an increase from \$150 to \$200 a year.

WILMINGTON...Mrs. E. May McGinnis of Silver Lake Avenue passed away at St. John's Hospital on December 24 following a brief illness. She was 79 years old and had been a resident of Wilmington over 30 years.

Mrs. McGinnis was born in Halifax and was the former owner of the Meridan St. Laundry in East Boston.

Surviving are her sister, Mrs. Edith Johns of Wilmington and two nieces, Mrs. Marion Woller of Wilmington and Mrs. Edna Ruhl of Watertown.

Funeral services were held at the W. S. Cavanaugh and Son Funeral Home on Main St. on December 28 at 2 p.m. Father John Rueff of St. Anne's Episcopal Church of Lowell officiated.

Interment was in the family lot at Woodlawn Cemetery in Everett. Funeral arrangements were under the direction of the W. S. Cavanaugh and Son Funeral Home.

## HERE and THERE

RUTH BOUDREAU, OL 8-2239

Former Police Chief Harry Ainsworth made sure that the Christmas mail went through, --he kept the workers strong by providing coffee and sandwiches through the Christmas rush.

Guess the luck has run out! The weather has been fine, so far---but wow!---look at it now!

The Wilmington Grange will hold a whist party on Tuesday, January 5 at the home of Mrs. Hazel Farrell.

The regular meeting of the Wilmington Grange will be held on January 13 at 8 p.m. at the hall. Following the meeting, a 'liquid embroidery party' will be held.

Santa was lucky to complete his work before this miserable weather came along---at least the small fry feel that way!

Major and Mrs. James McLean of Quantico Va., has spent the Christmas holiday, visiting her father, Frank A. Tebeau and her brother and his wife, Mr. and Mrs. Frank S. Tebeau of Cook Avenue. Neighbors gathered at the home of Mr. and Mrs. Robert Stevens, Adams Street to tender a going-away party for Mr. and Mrs. Douglas Williams, also of Adams Street.

Mr. Williams and his family expect to leave for Pennsylvania in a short while, as his firm has transferred him to that district.

Friends from Adams Street, Kelly Road and Chandler Street joined the festivities and to express their regrets upon losing such fine neighbors.

Refreshments were served and the guests of honor were presented with a nasegay of money as a gift.

Best of luck is extended to the Williams' from all their friends and neighbors.

The year old son of Mr. and Mrs. Walter Jillete of Veranda Avenue, Thomas, was taken ill yesterday, and was taken to St. John's Hospital.

Too bad Tommie, just when Santa left you all those toys to play with---get well soon so you can enjoy them!

### CHRISTMAS PARTY FOR PIANO STUDENTS

WILMINGTON..Mrs. Dolly Chernoff of Middlesex Ave. made her piano students the guests of honor at a Christmas Party held at her home on Saturday.

Each young participant brought a parent as his or her guest and each student was required to render a Christmas Carol on the piano before being allowed to enter into the festivities.

Following the brief presentations by teacher and pupils, refreshments were served and a fine time was enjoyed by all who attended.

JOTS AND DOTS

by Barbara Hentschel

Dig that crazy Beatnik Day held recently at Burlington High School. This type of thing is becoming so popular, we hear that Cafe Espresso restaurants are popping up in Massachusetts, where teenagers gather to slouch and gripe about world conditions while sampling various kinds of coffee.

Nice to think that so many Tewksbury kids were happy on Christmas morning because of the generosity of a few residents who took time out to drop a toy at the fire station.

Master Sergeant Robert Buote and family spent the holidays with his parents, Mr. and Mrs. Frank Buote of 148 Burlington Avenue, Wilmington. Master Sergeant Buote is presently stationed at Westover Air Base where he is in charge of the altitude chamber.

Don't keep that Christmas tree too long, though the inclination is to prolong the holiday. Once it begins to dry out, it is no longer a thing of beauty, but a fire menace to you and yours. And place them somewhere where they aren't a temptation to a child, should he have access to matches.

At one time a fund was established to build a bicycle path from Lowell to an old well in Tewksbury located on the Bridges Homestead near the Shawsheen River. Travelers, bicyclists and thirsty animals gathered here to quench their thirsts.

We wonder if a Tewksbury resident will be the lucky winner in the Lowell area City of Lights contest. Some of the prettiest we've seen are in this town, so let's keep our fingers crossed.

Did you know that the Oblate Novitiate destroyed by fire was also completely destroyed by fire on February 7, 1895? Officials of the recently burned out Novitiate showed their appreciation to the firemen for their efforts by giving a sizeable sum to the toy drive.

Did you attend one of the popular Open Houses in your neighborhood during Christmas? It's a fine new custom for neighbors who are busy with their own activities during the year to get together and revive the spirit of comradeship. And each of us should add to our New Year's list a resolution to help the Christmas spirit last all year round.

CHURCH OF CHRIST SERVICES

BURLINGTON...The services of the Burlington Church of Christ are held on Sunday at 9:30 and 11:00 a.m. Sunday School classes have been resumed at the regular time: 9:30 a.m. for Grades 4-12; 11:00 a.m. for Grades 1-3.

New Year's communion will be held on Sunday, January 3. Monday evening, January 11 is the time for the Annual meeting, at which time the Nominating Committee will offer names of officers and committee members.

Reverend Raymond S. Carman is the interim minister.

Picture shows part of the members of Mrs. George (Rosano) Gray's family, enjoying their reunion on Christmas Day at the V. F. W. Hall, Wilmington. Mrs. Gray resides on Clark St., Wilmington. The proud mother, on this occasion, Mrs. Mary Rosano is seated second from the right in the second row. Mrs. Gray is standing directly behind her.

FAMILY REUNION HELD AT V. F. W. HALL

On Christmas Day, the family of Mrs. George (Rosano) Gray of Clark Street, Wilmington, held their reunion at the VFW Hall on Main Street.

The group included thirty relatives, mostly of Malden, and each member brought a home cooked course of a 10 course dinner which was elaborate.

Tables were gaily decorated and gifts were spread beneath the Christmas tree for everyone.

Following the distribution of gifts, a song-fest was held. The day was completed with well wishes till another year.

BLITZ PARTY TUESDAY EVENING

The Blitz parties which are held in St. Dorothy's Hall every Tuesday evening will continue to be run every week during the year and many useful and attractive prizes will be displayed for the winners of the Blitz and Penny sale.

The door prize last week was won by Mrs. Ruth Walsh and the 18-pound turkey went to Mrs. Gladys Sullivan.

Refreshments are served and the public is invited to join the party each week.

TEWKSBURY COUPLE TRIAL LAND TAKING CASE

TEWKSBURY...A trial has opened at East Cambridge Court on December 21 which involves two Tewksbury residents. Paul M. Wastchak and his wife, Shirley are plaintiffs in an injunction against William Nolan, land owner, Thomas Sawyer, former highway commissioner, and Richard O'Neil, superintendent in the highway department.

The Wastchaks are trying to stop widening of Mill Road which they claim is preparation for the construction of a trailer park. Wastchak testified that town equipment has caused damage to his property, and as a result of the action, trees and blueberry bushes had been destroyed.

The Wastchaks are being represented by Attorney Max Singer of Boston, who said he will attempt to prove that Mill Road is registered as a private way, and that a lot of damage was done to the Wastchak property because of unauthorized land taking. Judge Francis Quirico is presiding at the equity session.

### RECORD HOP

TEWKSBURY. Monthly record hops will be held in connection with Saint William's CYO after the first of the year. Youth clubs of the area will attend with CYO members and guests.

Plans are underway also for the formation of basketball teams for both boys and girls. Members participating will be in good standing and games will be arranged with youth teams in surrounding areas, as the teams are being organized too late to participate in CYO league games. Holy Name members will serve as coaches.

### THE OTHER DAY

we heard about one for the book, when considering how some nations get a change in government.

It seems that this happened in Bangkok, in the 1958 bloodless coup by Thailand's Army Chief. The Country's 32 cabinet ministers didn't even know any change was taking place, until they were all suddenly ordered by the Army to appear at headquarters to meet their new boss, Field Marshal Sarit.

There they were told: "The Supreme Commander will have your resignations at 12 noon. Please synchronize your watches. The time is now 9:22."

That's one of various ways in many countries of the world that overnight the lives and fortunes of millions of people can be drastically changed, sometimes for good, sometimes for bad.

With that kind of world backdrop, our democratic government stands out as a shining example of stability, for which we cannot be sufficiently thankful.

Stability is the quality of being steady, as a result of being well established and is important in business as in government.

You will enjoy the resulting benefits of stability in the form of top satisfaction, when you allow us to serve all your automobile needs.
